PROTECTED NATURE IS OUR FUTURE

The Prosecutor's Office of Mongolia has launched the nationwide "PROTECTED NATURE IS OUR FUTURE" awareness campaign to prevent environmental crimes and violations, safeguard the public interest, enhance citizens' legal knowledge, and promote public awareness and education.

As part of this campaign, we are presenting a series of informative posters developed to raise public awareness of environmental protection.

PROTECTED NATURE IS OUR FUTURE
A SINGLE CARELESS ACT CAN START A FOREST OR STEPPE FIRE.
WHEN CAMPING OR TRAVELING, ALWAYS MAKE SURE YOUR FIRE IS COMPLETELY EXTINGUISHED BEFORE LEAVING.
